<p>Branded fares and ancillaries information display from Availability Search</p>		<p>This screen will show:</p> <ul style="list-style-type: none"> - Airline logo - Fare Brands with images, any marketing text and all the associated attributes 																																																												

To select a flight option from the branded fares and ancillaries Availability display – click on the booking class shown in green – selecting number of passengers where required from the passenger dropdown top right. For connecting flight – a double click will sell the same booking class on each flight (where available) – flights are then added to PNR and will be shown in PNR viewer. Once finished viewing the information – the screen can be closed via the Close button or X.

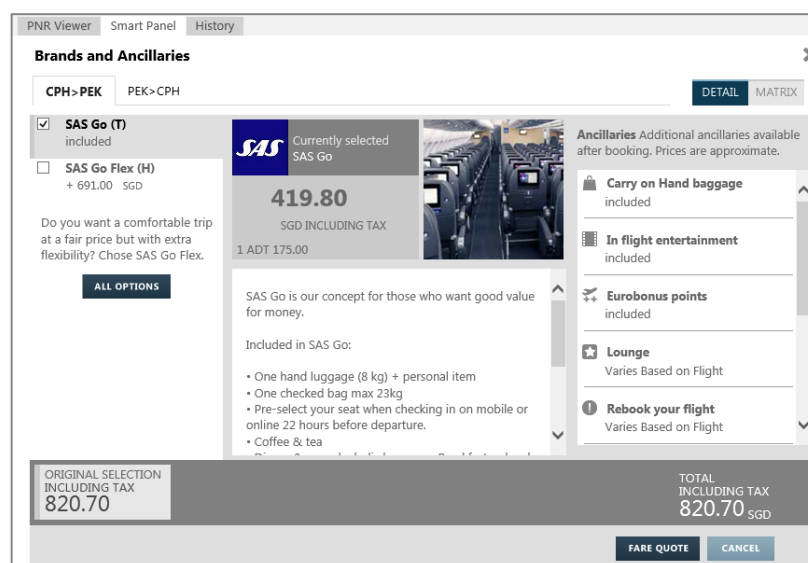

Please note – The content on this screen is for information purposes only. Brands and Ancillaries must be validated at Fare Quote

- **One-way fare amounts excluding taxes**

There will be a tab per flight in the itinerary.

Where brands are associated to a booking class – each class will be listed alongside each brand – except where the airline has multiple brands per booking class – in which all classes will be listed under the unbranded option.

Branded fares and ancillaries display – from Fare Shop and Fare Quote

This screen will show:

- Airline logo
- Fare Brands with images, any marketing text and all the associated attributes
- One-way fare amounts excluding taxes

There will be a tab per flight in the itinerary.

Travelport Smartpoint will always show the fist available upsell fare option. If more than one upsell is available, or any down-sell options are available, the ALL OPTIONS button will appear.

Select an Upsell

Remember that upsells can be applied differently to each segment in the itinerary. Use each tab to select the required fare for each segment.

To select an upsell we simply click on the desired brand

The image, text and ancillaries associated to the selected brand are displayed.

When selected, the additional charge appears in the bottom line

CPH>PEK *	PEK>CPH *
+ 2675.00	+ 2676.00

Ancillaries

Clicking on the ancillary icon will display the description and picture.

Matrix View

Selecting the MATRIX tab, Travelport Smartpoint will present an overview list of ancillaries for each available Brand, with an icon showing if they are included, not included or a chargeable extra.

- included
- not included
- chargeable

Ancillaries

When you click on the icon, a pop-up will appear with a detailed description of that ancillary.

Summary Display and Sell

Once you have selected the required brand for each part of the itinerary, click on Fare Quote to obtain total itinerary price incl all applicable taxes and an updated summary.

The MODIFY button will take you back to the branding/selection screen.

The CONFIRM/REBOOK button will add the flight segments into the PNR.

Note: Fare will be stored if name(s) is present in the PNR.
